

Seattle

MODULAR SOFAS

Seattle is a sectional sofa with a bold character, a clear affirmation of a contemporary metropolitan style. The design complexity is expressed in the juxtaposition of different materials. The softness and sensuality of shapes, fabrics and leathers meet the geometric precision of the shelves. A perfect blend of lines, colors and textures, balanced between aesthetics and function.

Sectional sofa with structure in solid fir wood and multilayer poplar wood. Padding in variable thickness high density expansive polyurethane foam and resin. Armrest in micromax. Upholstery in leather cat. B Nabuk L.08.14 Mustard.

Armrest support for attachment to the seat in calendered iron sheet covered in Dark Brown saddle leather.

Optional shelf behind the backrest in aluminium sheet covered in Dark Brown saddle leather.
