

Kalahari

DINING AREA

Natural inspiration and African references for a scenographic and sculptural table. The base of this decorative piece of furniture is made of calendered iron with a laser-cut pattern that recalls both the iconic animal motifs and the desert dunes evoked by the name. The top in porcelain gres lends a natural and elegant touch to the whole, while the use of technical materials makes the piece functional for outdoor use.

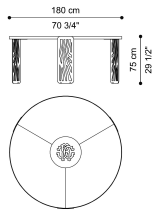

Kalahari

DINING AREA

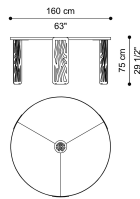

Top in porcelain gres Clay col. Dark or Light. RC monogram engraved on the top. Lower part of the top in marine plywood lacquered with matt finishing.

Structure in calendered iron with laser-cut animal design, in the finishings from the collection.
