

Dahlak

RELAX AREA

Dahlak is a modular outdoor sofa with captivating lines. Characterized by a large and comfortable seat, the sofa presents the typical themes of the Roberto Cavalli Home Interiors line, such as the bold geometric bold shapes of contemporary inspiration and the combination of fabrics characterized by different animal patterns - including giraffe, zebra and jaguar - in the elegant and timeless black and white combination. The use of outdoor materials guarantees maximum resistance to the action of atmospheric agents, allowing to create an oasis of comfort and relax on the terrace or in the garden.
